Parent liability

Parents accept the responsibility for assuring that each child is at all times accompanied and supervised by at least one adult and to stay within an arm's length of your child.

Parent participation

Gymboree Play & Music classes follow a structured form and are designed to enhance your child's physical, cognitive as well as social and emotional development. To maximize the benefits, we ask all parents to follow the teacher's lead and encourage their child to participate in the class activities. Parents are important role models and children are more motivated when supported by someone they trust who celebrates their achievements.
